Pursuant to Civil Code 5110, below are the results of the Annual Meeting of the Membership:

1. The Annual Meeting was called to order by video conference on May 11, 2022, at approximately 9:00 am.
2. The number of members entitled to vote on matters reported below at the Annual Meeting was 474.
3. A quorum of 25% of the total voting power was not achieved. 89 ballots were received by the deadline prior to the Annual Meeting.
4. Registered and received all Secret Ballots.
5. Determined the authenticity, validity, and effect of each of the Proxies and Secret Ballots.
6. Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote.

This year there were two (2) positions available for election. Due to a lack of quorum for the Annual Meeting, tabulation could not occur.

In conclusion, a majority of members present at the meeting voted to conclude the meeting until the following year. The current Board Members up for re-election will stay in place until their respective successors are elected or appointed.
